WORK EXPERIENCE

UX/UI + Brand Design Intern / Burial Beer Co.

JUNE 2021 - PRESENT (ASHEVILLE, NC)

Currently leading the redesign of Burial's website and their restaurant, Forestry Camp. Assist product and branding team with digital and print materials, assist with photoshoots and styling design, copywriting, and brand storytelling. I utilize my digital creation skills to help form a cohesive front across all of Burial's brands.

Behavior Specialist / Henderson & Buncombe Co. Schools

AUGUST 2017 — JUNE 2021 (ASHEVILLE, NC)

Increase intervention knowledge and efficacy throughout district by creating targeted and responsive professional development. Increase teacher satisfaction averaging a 95% satisfaction rate. Reduced negative student behaviors with personalized and high-interest intervention materials. Utilize districtwide discipline and engagement data to champion and promote equitable racial/gender/cultural practices for at-risk students.

Classroom Teacher / Various Schools

AUGUST 2013 — JUNE 2017 (KANSAS CITY / ASHEVILLE)

I implemented curriculum for all students with IEPs, conducted testing, managed data, conducted all special education meetings. and Increased student reading levels by an average of two grade levels utilizing Orton-Gillingham methods. I designed and implemented a brand-new Humanity Lab class focused on social justice, esteemed by staff, students, and parents. Deepened student understanding in arts education classes, as well as differentiated instruction for students with disabilities.
